“ Thank you again. She is still smiling. This camp helped reinforce the skills she already had and gave her new ones. It also boosted her self-esteem and mental game. Jelly took extra time with Kristi to her help and her encouragement was just “priceless”.”

“ I wanted to thank you, my son Brady had a great time at camp. He learned so much which will help him to improve his game. He enjoyed camp so much that he wants to go two weeks next summer. If you have anything going on during the year please let us know we will surely be there. You all did a great job and I appreciate so much.”

**Up to 6 Hours of Instruction a Day**  
**Written Evaluation for Each Camper**
